Assembly Instructions

■ Quick Start (New to paint-by-numbers?)

START HERE → Follow these 4 simple steps:

1■■ **Organize Colors:** Sort your drills/paints by the numbers in the legend
2■■ **Find Symbol #1:** Look for the first symbol in the top-left corner
3■■ **Match & Apply:** Find the matching color and place it on the canvas
4■■ **Continue Pattern:** Work in sections, following the symbol grid

■ **Pro Tip:** Complete one color at a time for faster results!

■ Detailed Guide

■ Preparation:
• Canvas: Ensure it's clean, flat, and well-lit
• Workspace: Comfortable chair, good lighting, organized colors
• Tools: Applicator pen, wax, and tray (for diamond painting)

■ Reading Your Pattern:
• Symbols: Each unique shape = one specific color
• Direction: Work top-to-bottom, left-to-right
• Reference: Keep the legend handy while working
• Grid lines: Bold 10×10 sections help track progress

■ Assembly Techniques:
• Small sections: Work in 2×2 inch areas for best control
• Color blocking: Complete one color before moving to the next
• Quality check: Ensure all symbols are covered before moving on
• Storage: Keep unused drills sealed to prevent mixing

■■ Time Management:
• Estimated time: ~160h 0min
• Break schedule: Rest every 30-45 minutes
• Progress: Use 10×10 grid sections to track completion

■ Finishing Touches:
• Inspection: Check for any missed symbols
• Pressing: Gently press finished sections to secure
• Sealing: Optional protective spray for longevity
• Display: Frame or mount your completed artwork!
